

WARRANTY CERTIFICATE

Hydra Wall is a new generation of indoor vertical green walls customizable in shape, size and colors. It remains intact in its softness and freshness over time without any maintenance. Hydra has a 4 year guarantee from the date of purchase.

The following conditions must be fulfilled to ensure the freshness and softness of Hydra Wall overtime:

- Hydra is for indoor use only
- A relative humidity rate of 40% must be ensured in the environment where it will be installed.
- Hydra Wall must not be watered or sprayed.
- Hydra Wall must not be exposed in direct sunrays.
- You must not walk on it.

Color variations are not a flaw but a characteristic due to the naturalness of the product.
